

CALL FOR PAPERS FOR PUBLICATION IN THE UGANDA HIGHER EDUCATION REVIEW JOURNAL

THEME:

Strategies, challenges and best practices for Artificial Intelligence adoption in Higher Education in Uganda.

The National Council for Higher Education invites scholars, researchers, and higher education institutions to contribute to the upcoming edition of *The Uganda Higher Education Review Journal (Volume 12, issue 1)*. This reputable journal, known for its diverse and current content and broad readership, is a prominent platform for publishing authoritative articles on the theory, practice, and policies concerning higher education's role, development, management, and enhancement from national, regional, and international perspectives.

1. Research areas of focus in this volume .12, issue 1, 2024 include the following;

- i. Infrastructure, tools, and skills for Artificial Intelligence Integration in Higher Education Institutions.
- ii. Revolutionizing Curriculum Design, Teaching, and Assessment through Artificial Intelligence in higher education.
- iii. Policy and Regulatory Environment for Effective Artificial Intelligence Integration in Higher Education.
- iv. Artificial Intelligence Adaptation in Higher Education.

2. Abstract and Paper Submission

All papers submitted will be peer-reviewed and evaluated based on originality, technical and/or research depth, accuracy and relevance to the focus areas.

- i. Submitted abstracts to be evaluated by the Journal editorial Committee.
- ii. If abstract is accepted, author will be requested to submit the full paper.
- iii. All submissions should report original and previously

unpublished research results no matter the type of research paper you are presenting.

- iv. Full text papers (.docx and .doc) will be accepted by Electronic Submission Form.
- v. Manuscripts should meet the Full paper format and observe the submission guidelines set by the journal committee and are subject to review
Please visit journal web page at ...<https://journal.unche.or.ug> for the full paper format and submission guidelines.

3. Full Paper Reviewing Process

- i. All manuscripts will be subjected to double blind peerreview and are expected to meet the scientific criteria of novelty and academic excellence.
- ii. The submitting author is responsible for ensuring that the article's publication has been approved by all other co-authors and takes responsibility for the paper during submission and peer review.
- iii. The publisher will not be held legally responsible should there be any claims for compensation.
Please submit your papers ONLINE at journal@unche.or.ug.
